

Hello Grade 12 Families,

We are writing to you as the organizing committee for the STJ Parent Grad Committee 2026 Winter Formal! We would like to invite you to consider providing a sponsorship or making a donation toward the Winter Formal on Monday, January 26, 2026. We have planned the event using a modest budget and have attempted to keep costs as low as possible, to keep ticket prices as low as possible so that the event is accessible to all graduates!

Donations or sponsorships from our supporting families would greatly help reduce the costs for both the Winter Formal and the June 2026 Graduation events, while ensuring fun and memorable experiences for our graduates!

Sometimes people would like to support an event but are unable to participate on a committee or volunteer time, so we would like to offer you this opportunity here.

Here are some of the things you might consider:

Sponsorship of the following:

Baking (bought or made to serve throughout the evening)
Mocktail Bar or beverages (pop, juice and water)
Candy Bar
Decorations
Insurance for the Event

Donations – These can be used for door prizes and include things such as gift cards, merchandise, etc

Cash Donations towards the cost of the event are always welcome!

If you are able to contribute, we would be happy to provide acknowledgement. This can be discussed at the time of your donation. If you are interested in providing a sponsorship or donation, please email stj2026grad@gmail.com.

Warm Regards,

Your Winter Formal Organizing Committee
